### CPNI REGISTRATION

In accordance with the Federal Communications Commission’s (FCC) Customer Proprietary Network Information (CPNI) rules, communication companies are required to set up password protection for your account. CPNI is information that communication companies acquire about their subscribers. It includes not only what services are used but the amount and type of usage. CPNI does not include your name, address, or phone number.

**Billing Name:** \_\_\_\_\_

PINNACLE COMMUNICATIONS is serious about keeping your information safe from pretexting (someone calling in pretending to be you). When a customer asks for information on their account a Security Code or Password must be confirmed before information about the account is released.

The person’s name that appears on the bill is the ONLY person authorized to make inquiries on this account either in person or by phone. If you want to allow someone else to make inquiries on this account, simply print their name (s) below. **(They must provide a photo ID with the information below)**

**Name:** \_\_\_\_\_

**Name:** \_\_\_\_\_
